Series 13

Quality around the clock!
For wet areas

Type 13 RP

All versions made of 13 mm HPL panels with black core.

Type 13 RF
Versions

**Standard version**
Round aluminium profiles

**Type 13 RP**

Height: 2030 mm  
Clearance: 150 mm  
Headroom: 1985 mm  
or  
Height: 2170 mm  
Clearance: 150 mm  
Headroom: 2125 mm

---

**Square version**
Square aluminium profiles

**Typ 13 RF**

Height: 2010 mm  
Clearance: 150 mm  
Headroom: 1990 mm  
or  
Height: 2150 mm  
Clearance: 150 mm  
Headroom: 2130 mm
**Floating version**

Support legs are set back 150 mm

Colours may differ from originals.
**Technical Details 13 RP Standard version**

**This type is TÜV-certified and has the GS mark (tested for safety).**

**Height**
2030 mm with 150 mm ground clearance, headroom 1985 mm
2170 mm with 150 mm ground clearance, headroom 2125 mm

**Front Walls**
13 mm HPL panels with black core, water-resistant, rough matte surface on both sides. All visible edges milled and bevelled. 
An aluminium cover rail, 45 x 86 mm, passing complete front wall, guarantees a high stability. 
Wall connection with rounded aluminium u-profiles, 22 x 30 mm.

**Doors**
Same materials as front walls, self closing. All edges radius 20 mm, all corners radius 9 mm. Door frame made of 45 mm diameter extruded aluminium. Rubber cushion on the lock side for silent closing.

**Partitions**
Same materials as front walls. All visible edges milled and bevelled. Wall and front connection with rounded aluminium u-profiles, 22 x 30 mm.

**Support Legs**
Powder-coated aluminium profiles, 40 mm diameter, with heavy-duty nylon rosettes, height-adjustable, concealed fixing to the floor, inserted into vertical profiles.

**Hardware**
Each door with 3 three-roll-hinges made of stainless steel with brass axle, thereof one spring hinge. Either polished or powder-coated in 7 colours without surcharge. Delta-Tone and Delta-Seal coating protect the spring inside the hinge from corrosion. 
Powder-coated aluminium lock case with stainless steel latch and turn button with red/white indicator with emergency opening on the outside.

**Accessories**
Each cubicle with 1 nylon coat hook and a door buffer. Concealed fixing.

**Colours for profiles**
Anodized or powder-coated, available in 7 colours without surcharge. Supports for privacy screens are available only powder coated.

**Colours for panels**
12 colours available without surcharge.

**Colours for nylon parts**
7 colours available without surcharge.

**Privacy Screens wall mounted**
400 x 900 mm
Wall connection with four powder-coated support angles. 
Front corners with 100 mm radius. 
**13 mm version:** same material as front walls. 
**Glass version:** consisting of 2 pieces of glass with a matt foil in between.

**Privacy Screens floor mounted**
500 x 1850 mm 
Same material as front walls. 
Wall connection with four powder-coated support angles. 
Bottom of the screen fixed with support leg.

**Environmental Protection**
We do not use materials containing PVC or asbestos. 
Type 13 RP is suitable for high demands in wet areas. 
All cubicles are pre-fabricated for easy installation on site.
Colours for profiles and hinges
Anodized or powder-coated, available in 7 colours without surcharge. Supports for privacy screens are available only powder coated.

Colours for panels
12 colours available without surcharge.

Colours for nylon parts
7 colours available without surcharge.

Privacy Screens wall mounted
400 x 900 mm
Wall connection with four powder-coated support angles. Front corners with 100 mm radius.
13 mm version: same material as front walls.
Glass version: consisting of 2 pieces of glass with a matt foil in between.

Privacy Screens floor mounted
500 x 1850 mm
Same material as front walls.
Wall connection with four powder-coated support angles. Bottom of the screen fixed with support leg.

Environmental Protection
We do not use materials containing PVC or asbestos.

Type 13 RF is suitable for high demands in wet areas.

All cubicles are pre-fabricated for easy installation on site.
Technical alterations of the illustrated products are subject to variation. Due to the printing technique colours may differ from the original.
